Bio

I am a highly motivated and creative Communication Design undergraduate with a strong passion for animation production and preproduction. I enjoy and am good at capturing movement and translating narratives into engaging visuals. I am eager to leverage the design expertise and animation skills within a professional studio environment.

Past Experiences

1. Produced a film as a part of an international online exchange with Academy of Media Arts Cologne (KHM), Germany.
2. Interned at Blackbird Design Studio, Mumbai for two months and worked on several projects as an animator and illustrator.
3. Interned at TCS for two months and worked on development of Game Design.
4. Was an integral part of the animation team of Chitrakatha '23 (design festival in NIP AP) and produced an animated promo.
5. Made a series of illustrations for Navneet Publications for student textbooks, to be printed and sold in January 2025.
